The Hot Two Plus One — Raggy plunk whittled from the plains and prairie, and acoustic ragtime that sizzles with toe-tapping joy.

The Mad Cow String Band — A highly polished and energetic mix of contemporary and old time bluegrass and acoustic swing from Davis, California.

Julio and the Honeybunnies — Refreshing old time string band music and mountain melodies from Columbia, California.

The Quake City Jug Band — Classic swing, blues, folk and jazz, along with feather boas, tap dancing and general music mayhem.

The Country Valley Jug Stompers — 1920s – '30s country, blues, ragtime and western swing in a fancy Japanese jug band fusion roll.
