Cowboy Poetry & Music Festival

GENOA • APRIL 29–MAY 2, 2010

The Town of Genoa, in partnership with the Carson Valley Arts Council, is organizing a new Genoa Event. Sponsors hope it will become a significant economic driver for Genoa and the Carson Valley.

The first ever Genoa Cowboy Poetry & Music Festival is slated for April 29–May 2, and organizers are working to combine Carson Valley’s cultural heritage and history with music, poetry, performance and visual arts to create an event worthy of its location.

The Festival will feature:

- Over 50 performances
- Exhibits & Vendors
- Workshops
- Food & Beverages
- Cowboy Poetry
- Music, and more...

Participants in all areas, from well known musical and cowboy poetry performers to crafters, instructors and vendors are being pursued by the festival’s Program Committee and other committees, and are moving forward to put their elements in place.

Volunteers, both at the Committee and Event levels, are still needed, and those interested in becoming a part of the first year of the Festival are encouraged to contact the Town of Genoa office.

A good way to keep track of the planning will be by visiting the Festival website — Use the URL link below — www.genoacowboyfestival.com where the most current information will be posted.

For information or to volunteer to help, please contact the Town Office at 782-8696.
