

Genoa Community Garage Sale on Saturday, July 11

Continued from page 1

Here's how the Community Garage Sale works: You participate by completing the registration form — found inside this issue of the Genoa Connection or by contacting the Town Staff — and mailing it to the Town Office with a check for \$10, payable to the Town of Genoa.

The fee pays for a copy of the Community Garage Sale map, a sign, and a balloon for each participant, plus local advertising of the event. The deadline for registration is Friday, June 19, 2009.

Maps will be available at Gillmor-Coons Real Estate Group and the Town of Genoa office, or will be available for download from our Website, www.genoanvada.org.

This event is a great way of joining together with your

friends, neighbors and family to enjoy a day of buying, selling and bartering all those household items that you no longer need or use.

*Old clothes,

kitchen ware,
tools, knick-

Genoa Supports Resolution to Reduce Light Pollution

Local residents may be pleased to hear that Town Board has reaffirmed their commitment to keeping nighttime skies dark and free of excess light pollution.

Just this month, the new Town Advisory Board watched a presentation by town resident, Maggie Tracey, and reconnected with the resolution that reminds

residents to reduce the light pollution in the Genoa area by making simple adjustments to their outdoor night lighting fixtures.

Fixes include simple shielding and redirection of lights or reducing light intensity by changing to lower wattage light bulbs.
