How Long Jug Band — The band plays traditional jug band music with a few modern influences.

Large Bills Accepted — Acoustic ragtime with “an attitude” that sizzles with toe-tapping, feel good joy.

Miss Lonely Hearts — New old fashioned back-country/roots-a-billy music.

Suspect Terrane — A suspicious blend of bluegrass, roots rock and folk, served up with a healthy side of original recipes.

The Quake City Jug Band — Classic swing, blues, folk and jazz, along with feather boas, tap dancing and music mayhem.

Assisted Living (CHORUS OF THE COMSTOCK BARBERSHOP QUARTET) — An organization of gentlemen who share the hobby of singing a capella music in the barbershop style.
